Description

This imposing villa is positioned on top of a hillside overlooking Coral Bay and the site of the new marina. The design of the property means every room enjoys the panoramic view with large picture windows and patio doors. The pool deck is designed around rock formations with a waterfall feature and the lower garden features a large covered pergola for sunset views. The villa has rock boundary walls and entry is through electrical gates with the covered car port to your left. The front door leads into a spacious hallway with three en suite bedrooms off a hallway. These three bedrooms all have superb sea views and patio doors lead onto a shared veranda. Also on this level is a large lounge dining area and the feature Ferrari kitchen. The stair case then leads down to the entertaining area which features a bar, sauna, Jacuzzi, home cinema, and access without having to go through the villa. At this level there are patio doors leading out to the spacious overflow pool deck and then steps down to a separate entertaining area with covered pergola. The villa will have panoramic views of the upcoming Coral Bay Marina. Features: Stunning coral Bay Marina views, Stone waterfall, Ferrari designed kitchen, Built in bar, sauna and Jacuzzi, Self contained flat in basement, Gas fired underfloor central heating, Covered pergola, Overflow infinity pool, All bedrooms en suite, BBQ, TITLE DEEDS.
