The project is a gated community consisting of 12 two-storey, three-bedroom houses and 8 two-bedroom apartments. Optional private swimming pools and roof gardens for the houses add an additional level of comfort and exclusivity. Designed with a contemporary architectural approach, the development integrates seamlessly with the surrounding landscape, offering well-planned, spacious, and functional interiors. The natural surroundings provide a sense of privacy and tranquility, while all essential amenities are located just 2 minutes away. Whether you are looking for a sound investment or a private residence, Project presents an excellent opportunity. Lower Chloraka is regarded as one of the most desirable areas of Paphos, equally popular for permanent living and short-term rentals. The area offers a vibrant lifestyle with a wide selection of seafront hotels, restaurants, bars, and leisure facilities. Situated at an average elevation of approximately 70 metres above sea level, the location enjoys impressive panoramic views of the Mediterranean. Lower Chloraka borders the neighbouring communities of Emba, Lemba, and Kissonerga, combining convenient access with a peaceful residential atmosphere. The area is known for its attractive beaches and its distinctive character, where traditional architecture blends harmoniously with modern developments, all set within a beautiful natural environment.
