Apartment with large balcony in Tala Tala Village is one of the most sought-after hillside locations in Paphos, known for its elevated position, uninterrupted sea views, and preserved charm. Unlike other areas, Tala has avoided overdevelopment, maintaining a harmonious mix of quality residences in a scenic setting. The village square has been tastefully renovated while retaining its original character, and the location is ideal—just a 10-minute drive to both Coral Bay and Paphos town. Tala Seaview II is a well-designed residential complex within easy walking distance of the village square. This two-bedroom, two-bathroom apartment is positioned at the edge of the last block, offering the most panoramic sea and project views. The property features a spacious balcony, allocated covered parking, and a private 8 sq.m storage room—offering all the practical benefits for comfortable living. A lift in the building adds further convenience. Well maintained by the current owners, the apartment offers a bright open-plan living and kitchen area with direct access to the large veranda.
