Description

Tower is a modern and impressive commercial development in Paphos. The project offers spacious offices, showrooms, covered parking spaces, and a powerful rooftop veranda, creating a unique environment for business in the heart of the city. The tower is located on Apostolos Paulos Avenue, one of Paphos' most active commercial streets. Its location ideally combines the advantages of the vibrant city center and the tourist district of Kato Paphos, providing convenient access to both areas. This strategic location allows both Paphos city center and the bustling tourist strip of Kato Paphos to be reached within a 5-minute drive. This makes the project attractive to those seeking nearby premises in a central and vibrant part of the city. As a result, we will be able to provide access to universities, shops, offices, businesses, and commercial properties, providing future tenants with a wide range of amenities as standard. The building includes: a basement with covered parking a first level (basement) and mezzanine, housing showrooms the first, second, and third floors, housing modern office space a portable rooftop with a garden and veranda, ideal for relaxation or business meetings The Tower combines functionality, modern aesthetics, and thoughtful commercial spaces, making it an ideal platform for business development and success.
