Description

Golf villa within easy walking distance of the Resort amenities. 3 Bedroom Junior Villa with Private Pool in Zephyros village of Aphrodite Hills, Paphos. Tucked away in a quiet corner of Zephyros village this truly unique Junior Villa with fabulous private pool is a great property for luxury family living. The deceptively spacious property has been beautifully enhanced and is presented in immaculate, move-in condition. The villa is approached from the parking area by a short footpath with borders planted with a variety of flowering shrubs. The front door opens into a spacious entrance hall area with further door leading to a luxury shower room and WC. The living area is located to the left of the hall area with access to a rear patio commanding beautiful views to the ravine beyond. The living room has an attractive fireplace and a tray ceiling with concealed lighting and TV/Films are viewed by projector. The superb modern kitchen is to the right of the hall. The recently upgraded kitchen is tastefully decorated and has an American style fridge freezer, ample storage and generous working space. Beyond the main kitchen is a stunning 'outdoor kitchen, sitting and dining room'. The kitchen has luxury appliances ideal for big family parties. This area has retractable roofs and glass panels which can be opened up to make the most of entertaining during the balmy summer evenings. Access from here leads directly out to the pool patio where there is space for a large dining table and several sun beds. Back to the entrance hall where a flight of steps lead to the lower floor where three sumptuous bedrooms are situated. There are two rear facing bedrooms with private access to a secluded garden area and one internal bedroom. All the rooms are generous doubles with luxury en-suite facilities. The beautifully presented master bedroom suite is extremely spacious and has plenty of storage. Outside there is a good sized garden to the side of the property mostly laid to lawn. The surrounding borders are well stocked with attractive planting. The unique heated salt water swimming pool with fitted ioniser has patio on 2 sides. There is also an outside shower, a newly built WC, storage area and housing for washing machine and tumble dryer. This is an unforgettable property which needs early viewing. Zephyros Village is within easy walking distance of the Resort amenities and the 47 properties are arranged along the western...
