Description

Junior Villa in Adonis Village close to amenities. This three bedroom junior villa is located in Aphrodite Hills Golf and SPA resort. House is laid out over three floors. It is competitively priced and has a great deal to offer. Only a four minute walk from the resort village with its bars and restaurants, it is extremely well placed for a rental market investor. It also has a large garage with space for car and workshop and double glazed replacement external doors and windows throughout. The upper ground floor has a bright and well proportioned dining room and living area, with a separate kitchen and guest cloakroom. Patio doors lead out onto a large terrace, partly covered, with very good views across the village to the central resort ravine. On the first floor there are two double bedrooms sharing a family shower room and a terrace, with spectacular panoramic views to the central resort ravine and the Mediterranean Sea. From the living/dining area, stairs lead to the lower ground floor with another extensive bedroom, shower room and huge storeroom, which could be converted to a further bedroom. Finally a garage opening onto the rear of the property, with private driveway, completes this offering
