Description

3 bedroom villas are in an extraordinary project comprising six exquisite villas nestled in the highly sought-after Konia Village. These luxury villas offer stunning vistas of the sea and cityscape, creating an idyllic and tranquil atmosphere. Homes stands out for its convenient proximity to a range of essential amenities. With a nearby supermarket, business center, school, and hospital, residents enjoy a seamless and comfortable lifestyle. Homes, we prioritize the highest quality standards and specifications to provide residents with unmatched comfort and opulence. Our villas feature underfloor heating, ensuring a cozy living experience year-round. Furthermore, our advanced VRV system technology guarantees efficient heating and cooling while minimizing energy consumption. Each villa incorporates the latest thermal aluminum window package, flooding the interiors with natural light while maintaining optimal temperature control. This seamless fusion of design and functionality creates a harmonious and comfortable living space for residents to relish. In addition to the stunning interiors, Homes offers meticulously landscaped outdoor spaces, providing residents with the perfect environment to unwind and soak in panoramic views. Experience the sweet taste of victory at Homes, where every detail has been meticulously designed to create an exceptional living environment. Enjoy a life of luxury and convenience in the heart of Konia Village, where breathtaking views, exceptional amenities, and superior craftsmanship combine to deliver a truly elevated living experience
