Description

A distinctive feature of this complex is its location on the elevated slope of Geroskipou, which offers a panoramic view of the whole of Paphos and the sea. Located close enough to the highway to have easy and quick access, but far enough away that there is no noise. The local village square of Geroskipou is also just a short walk away, offering taverns, supermarkets, cafes, bars, gardens and an abundance of Cypriot charm! With upgraded features such as underfloor heating with heat pump, concealed VRV AC units, natural and sustainable materials, electric vehicle charger and photovoltaic panels, these villas are the perfect modern home to take care of all your family's needs and the environment! In the prices we include furniture, heated swimming pool, 6.72 kW photovoltaic system with solar panels, VRV for cooling, underfloor heating, alarm system, CCTV cameras, electric gate/charger.
