Description

Situated amidst the captivating Episkopi region of Paphos, Cyprus, this exclusive collection showcases nine remarkable units. Currently under construction, these luxurious villas are meticulously designed with utmost attention to detail. Each unit boasts three bedrooms and three bathrooms, offering ample space for comfortable living. The villas are equipped with modern amenities, including underfloor heating, a VRV system for efficient climate control, and solar panels for sustainable energy. With its commitment to superior craftsmanship and innovative features, Villas presents an unparalleled opportunity for refined living in a tranquil and picturesque setting. Step inside Villas and discover an interior design that exudes elegance and sophistication. Every detail has been meticulously crafted to create a harmonious living space that is both functional and aesthetically pleasing. The spacious interiors are flooded with natural light, enhancing the warm and welcoming atmosphere. The kitchens are equipped with the latest BOSCH appliances, ensuring a seamless culinary experience. What sets Villas apart is the opportunity for customization and personalization. Homebuyers have the freedom to choose their preferred color schemes, allowing them to infuse their unique style into every corner of their new home. With a commitment to tailor-made solutions, residents can collaborate with Developers team to create a living space that perfectly aligns with their needs and desires. The result is a truly bespoke home that reflects their individual taste and lifestyle. Price from + VAT.
