Description

Panorama Palace – a luxurious four-bedroom residence with breathtaking panoramic sea views, set in an exclusive hillside location near Peyia and Coral Bay. This exceptional, newly renovated mansion (2022–2025) is positioned on a vast 3,450 m² private plot, offering unrivalled privacy and uninterrupted views across the Mediterranean coastline. Designed to the highest standards, the property combines architectural presence with refined living, creating a truly unique residence in Paphos. From the moment you enter the grounds, the property impresses with its sense of scale, elegance, and complete seclusion. Built to ensure maximum privacy, the residence enjoys panoramic sea views from virtually every area, with stunning sunsets over the west coast. The villa is filled with natural light, thanks to large windows and shutter doors, while the interior design features warm neutral tones, creating a calm and sophisticated atmosphere. The spacious living room, dining area, and fully equipped kitchen are seamlessly connected in an open-plan Scandinavian-inspired layout, ideal for both everyday living and entertaining. Upstairs, three generously sized bedrooms open onto a magnificent terrace overlooking the coastline. The master suite includes a luxurious en-suite bathroom with double shower and a spacious dressing room. The additional two bedrooms also feature en-suite bathrooms and ample wardrobe space. On the ground floor, a fourth bedroom can also function as an office, with a bathroom conveniently located nearby. A large garage connected to the laundry room provides a practical secondary entrance to the residence. The outdoor areas are equally impressive, offering up to seven terraces and entertainment spaces, ideal for private or corporate events. The heated magnesium swimming pool (chlorine-free) provides a wellness-focused experience, set against stunning sea and valley views. The landscaped grounds include palm trees, olive trees, pine trees, and bougainvillea, all maintained by a full automatic irrigation system. Multiple natural stone patios and tiled terraces create a variety of relaxation...
