Description

Spacious apartment in Limassol2 bedroom apartment in Agios Ioannis. Remarkable residential development Ideally situated in one of Limassol's most buzzing area, this residential project offers a perfect balance of city living and luxurious tranquility. Situated in a quiet residential neighbourhood, it's still well within the heart of the city, just a few minutes away from the famous Limassol Marina and the Old Town centre; enabling residents to enjoy the multitude of perks of city life with the added benefit of still preserving their peace. High-rated schools, world-class restaurants, cafés, and shopping centres are all just a few minutes away. Park Horizon's location is ideal for all kinds of residents from families to young professionals. Park boasts 4 incredible floors, making it just right for the city centre. With a contemporary luxurious façade, the building offers an incredible view of high-quality wood panelling combined with dark tones of reinforced stone. It's a harmonious fusion that exudes elegance and prestige, setting a new standard in architectural beauty. Each residence offers generous balcony green spaces, providing a personal oasis where residents can unwind and soak up the surrounding beauty. The project also offers an abundance of thoughtfully positioned windows floods every corner with natural light, creating an ambiance that is both uplifting and serene. Park offers eight spacious and contemporary apartments, meticulously designed to redefine your sense of space and style. Discover a range of living options, including six two-bedroom apartments and two three-bedroom apartments with en suite bathrooms. Prioritizing residents' comfort, each apartment offers covered parking spaces and ground-floor storage rooms. The project also embraces sustainability by providing provisions for charging electric vehicles, for a committed green future. Relish the breath-taking city views from the covered balconies, complete with clear glass balusters. Sunlit living room areas are accentuated by strategically positioned windows, allowing an abundance of natural light to highlight every remarkable detail. Each living space has been incorporated with top-of-the-line materials such as Italian kitchens and marble or granite worktops exuding an air of sophistication. Prices from + VAT
