Description

Exclusive Villas in Peyia with Panoramic Sea Views Perched on the hills of Peyia village, this boutique development of just eight villas offers truly breathtaking sea views stretching across the entire Paphos district. The vibrant village square is only steps away, Coral Bay — considered the island’s finest sandy beach — just a five-minute drive, while Paphos town can be reached within fifteen minutes. Designed to take full advantage of the elevated location, each villa includes an additional lower ground “Granny flat” with 2–3 bedrooms, kitchen, bathroom, and sitting room. This versatile space enjoys the same unobstructed sea views and can be used as a fully self-contained apartment with its own private entrance, or seamlessly connected to the main villa via an internal staircase. The villas are thoughtfully positioned to ensure privacy, with no property overlooking another, and are flooded with natural light from sunrise to sunset. High-quality finishes, both indoors and outdoors, have been carefully selected to enhance the modern architectural design. With a prime location, magnificent panoramic views, and premium construction standards, these villas represent an outstanding choice for those seeking elegance, comfort, and long-term value in one of Paphos’ most desirable areas. + VAT This location is approximate only
