Description

Traditional Four-Bedroom House on a 2,676 m² Plot in Lower Chloraka A rare opportunity to acquire an individually built, traditional-style house set well back from the road on a generous 2,676 m² plot in Lower Chloraka. The house has four bedrooms and three bathrooms, with one bedroom conveniently located on the ground floor. It also offers a spacious living area, a separate kitchen and covered outdoor spaces overlooking the grounds. Its position within the plot provides privacy and leaves substantial land for a buyer to explore future possibilities. The large plot may appeal to buyers considering additional residential or commercial development, subject to confirmation of the planning zone, permitted building density, subdivision requirements and the necessary approvals. Whether enjoyed as a private home with extensive grounds or considered for a wider project, this property offers considerable potential. This location is approximate only
