Description

This is more than 81 exclusive beachfront villas and 84 beachfront apartments, combining sophisticated aesthetics and breathtaking panoramic views. The concept is based on the idea of a "city within a city", where special attention is paid to the landscape design of an extensive green area and the development of the workforce. The project has been recognized as the best project in the world three times at the International Property Awards. Residents can use the services of a club house with gyms, indoor and outdoor pools, a spa, a children's club, a cinema, a cigar club and much more. The staff of residents will also have a sandy beach, a yacht club with a Marina and a luxury car park. GREEN AREA 45,000 M2 VILLAS 3-6 BEDROOMS 81 APARTMENTS 1-5 BEDROOMS 84 CLUB HOUSE 1,500 M2 PRIVATE BEACH 400 M The perfect space where luxury meets comfort, work meets relaxation. The Club House is an outstanding achievement and the latest technology. Here on 3 floors you can get a full range of exclusive services. The perfect space for business meetings with a cozy cigar road and a stylish bar. The Club House also offers a large cinema, an ultra-modern fitness center, swimming pools, a jacuzzi, a spa with a sauna and steam bath, a massage room, a concierge service and a children's club. For those who appreciate speed and excitement, this section presents a fleet of cars that will please even the most sophisticated connoisseurs. Enjoy the azure Mediterranean Sea and the sun on your own beach with a developed infrastructure of sand, safe children's bay, water sports calendars, a cozy bar and a yacht club. You can always choose between sandy beaches or indoor and outdoor pools surrounded by shady gardens, of which there are many on the territory. We also took care of the little residents - a children's pool with bright toys and a comfortable depth has become a decisive attraction. There is everything for an active life. Modern tennis courts, mini golf, bocce field, fitness club, open-air gym, yoga and pilates classes, bike paths on the territory, children's playgrounds - we have thought of everything to the smallest detail for connoisseurs of fine wines with an exclusive wine cellar. This stylish space with thin ceilings and a panoramic veranda, a bar, a wine cabinet and a collection of documents - for your pleasure. A botanical garden, a labyrinth, a recreation area...
